## PROFILE

One of the most important Catania hotels occupies a recently restored aristocratic building, located on Scalinata Alessi steps, set between Via Etnea Street and Via Crociferi Street.

We are in the baroque heart of the historical centre of Catania, providing outstanding testimony to Sicilian architecture and declared by UNESCO Patrimony of Humanity. The Hotel's Suites and rooms, elegantly furnished, were designed to offer the maximum comfort to our guests. All of them have private bathroom, with Jacuzzi bath or shower, Air Conditioning, Television Set with Satellite Channels and free SKY TV, Wi Fi Internet Connection, Mini-Bar and Safe.

Catania is situated at the centre of the Mediterranean sea. It is a natural stage where the sun, the Ionian sea and the fire of Mount Etna, blended to 2,700 years of history, are the scenery for a daily unique performance.
