## PROFILE

Agriturismo Marino was born from old farmhouses, built at the end of '700, representing a small rural village in the heart of Giardini Naxos.

It is located 800 meters far from the beach, in one of the most beautiful area in Sicily, next to Taormina, between the sea and Etna.

The wide green areas inside the farm allow the guest to have a pleasant and relaxing stay in the freshness of old trees. It is possible to walk and bike along the paths of the farm, to play table tennis or to relax in a little whirlpool surrounded by loquats and banana trees.

Guests may stay in different cottages called: "A Nuciara", "A Livara", "La Casa dei Mandarini", "A Casedda" e le camere de "La Casa del Nespolo".

Agriturismo Marino is 17 hectares wide, oranges, mandarins, loquats, olives, avocados, peaches, apricots, quinte and vegetables are grown.

In the restaurant "La locanda del notaro" (located in an old cottage) you can enjoy typical disse of the local ancient cuisine, a wide range of seasonal courses, made by farm products, i.e. antique sicilian chickpeas and durum wheat. Everything according to Mediterranean diet.
